Outline lips with 2 strands of black embroidery thread

Use thin white wool or 3 strands of white embroidery thread to work lettering

Whip edges with mid- blue yarn

Alternatively you can take a piece of fabric and choose 2 of the 3 designs to use as “tiles” to work on a fabric coaster.

Or using a larger piece of plastic canvas work all 3 designs in a 3 x 3 format to make a larger “mat” for your coffee or your kitchen table – just back it with felt to stop it slipping.
